Carl Moyer Memorial Air Quality Standards Attainment Program

**Matching Fund Waiver and Certification of District Resources
Fiscal Year 2009/2010 (Year 12)**

Local air districts receiving only the minimum disbursement of \$200,000 from the Carl Moyer Memorial Air Quality Standards Attainment Program (Program) may request a one-year waiver of the matching fund requirement.

The undersigned official understands that by requesting this waiver of the match funding requirement, the district commits staff and resources to support the district's participation in the Carl Moyer Program. Support activities include local outreach to announce the program, issuing request for proposals, reviewing applications in accordance with the Carl Moyer Program Guidelines, reporting on the projects as required by the Air Resources Board, and completing appropriate in-use audits or enforcement.

The undersigned, the executive officer or a person who has the official authority to commit district resources to support the Carl Moyer Program, requests a waiver of the fiscal year 2009/2010 (Year 12) matching fund requirement.
